

## Rex-Royal S2 CTI

## Rex-Royal S2 CTI

In addition to allowing you to enjoy premium coffee and supplying hot water, the Rex-Royal S2 CTI also supplies an even larger variety of flavours. With the two integrated instant containers, you can make smooth, creamy vanilla or chocolate creations and mixed drinks at the push of a button. The interactive 7-inch touch screen uses symbols/pictures to intuitively guide you through our attractive drinks menu.

The automatic, HACCP-certified cleaning process guarantees the machine will run in a perfectly hygienic way with minimal time expenditure.

### Features

I- Instant

T- Hot Water

C- Coffee

### Advantages

#### High-quality metal brewing unit

Premium coffee quality thanks to the high-quality, more powerful Rex-Royal metal brewing unit with a capacity of 16 grams of ground coffee per brewing operation

#### 23 l/h hot water supply

Hot water supply at a rate of up to 23 litres per hour

#### Intuitive menu navigation

Simple to run and maintain thanks to visual user prompts and automatic cleaning

#### Sales promotion on TouchScreen

Place advertising messages and ambient images on the display

#### Add-On units

With options like cup warmers, cup dispensers and mobile solutions, the Rex-Royal coffee machines are perfectly suited to meet your requirements

#### Simultaneous dispensing of two coffees

Simultaneous supply of two products, such as espresso or café crème

#### Video-capable 7-inch TouchScreen

Intuitive menu navigation thanks to the 7-inch touch screen for the simple and efficient selection of a drink

#### With two integrated instant containers

Two integrated instant powder containers expand the drinks menu to include deliciously smooth and creamy chocolate creations or mixed coffee and vanilla drinks

#### Short maintenance times

Modular construction for short intervention and maintenance times for a long-term and secure investment

#### Highest hygiene standards

Automatic, HACCP-certified cleaning process guarantees the machine will run in a perfectly hygienic way with minimal time expenditure
