

Rex-Royal S300 MCST

Rex-Royal S300 MCST

The Rex-Royal S300 MCST stands for the unadulterated enjoyment of coffee and fresh-milk beverages. Whether you'd like to froth the milk manually or prefer to prepare it at the touch of a button – the choice is yours. Non-stop and without loss of power in double and/or parallel dispensing. A coffee machine that will satisfy your capacity requirements. You can choose from a wide range of fridges as add-on units. All S300 models can be combined with the S500 model series.

Features

M- Fresh Milk

S- Steam
