

Rex-Royal S500 CT

Rex-Royal S500 CT

The Rex-Royal S500 CT is one of the most efficient fully-automatic coffee machines on the HORECA market. With a variety of coffee drinks and a hot water output of up to 58 litres per hour, it fulfils the highest requirements of professional catering. In addition to a single product you are able to brew two at once, such as two espressos or two coffees, and simultaneously and continuously receive hot water. The solid design of the brewing unit, with a capacity of 23 grams of ground coffee, is designed with durability and easy maintenance in mind.

Features

T- Hot Water

C- Coffee
