

Rex-Royal S500 MCT-HS

Rex-Royal S500 MCT-HS

The classic Rex-Royal milk system guarantees perfect steamed milk in terms of consistency and quality for all the "M" models. Here the S500 reveals its hand and offers wonderful barista and milk steaming quality even with high levels of output. The 10-litre cooling unit can be installed next to or under the counter, depending on space availability. With the crystal clear, video-compatible 10.1-inch display and diverse operating concepts, whether cup choice or a self-service layout, the S500 always fulfils the needs of today's modern catering.
