

Rex-Royal S500 MCT

Rex-Royal S500 MCT

The classic Rex-Royal milk system guarantees perfect steamed milk in terms of consistency and quality for all the "M" models. Here the S500 reveals its hand and offers wonderful barista and milk steaming quality even with high levels of output. A wide range of refrigerators are available and can be installed next to or under the counter, depending on the space available. With the "R" refrigerators, two different types of milk can be processed on request. With the crystal clear, video-compatible 10.1-inch display and diverse operating concepts, whether cup choice or a self-service layout, the S500 always fulfils the needs of today's modern catering.
